

Participant-Related Costs for DFOs (Substation Fraction) and DFO Cost Flow-Through Technical Session 2B

Session Purpose

The purpose of this session is to:

- Continue to build a common understanding of the purpose and application of participant-related costs for DFOs (substation fraction formula) and DFO cost flow-through;
- Stakeholder proposals to respond to evaluation and comments after presentation on May 14 session; and
- Group discussion to evaluate proposals for participant-related costs for DFOs and DFO cost flow-through and determine if alignment on a joint proposal can be made or if multiple proposals will move forward.
