

## Bulk and Regional Rate Redesign Stakeholder Engagement Session 2

### Session Purpose

The purpose of this session is to re-engage in discussions on the bulk and regional tariff rate redesign

### Session Objectives

- Review and gain acceptance on process and approach to complete a rate design
- Understand current state rate design
- Reconfirm tariff rate design objectives and balance of trade-offs
- Understand rate design alternatives
- Identify initial implications of rate design alternatives
- Understand energy storage treatment options and considerations
- Provide technical clarity around rate design options

**Date:** Sept. 24, 2020

**Time:** 9:00 a.m. – 2:00 p.m.

**Location:** Webinar

**Facilitator:** Stack'd
