

April 9, 2020

To: Market Surveillance Administrator, Market Participants and Other Interested Parties
("Stakeholders")

**Re: Stakeholder Comments on Letter of Notice Proposed Amended Section 305.1 of the
ISO rules, *Energy Emergency Alerts* ("Section 305.1")**

Pursuant to Section 6.3 of Alberta Utilities Commission Rule 017, *Procedures and Process for Development of ISO Rules and Filing of ISO Rules with the Alberta Utilities Commission*, this letter serves as notification that the AESO did not receive any written comments from Stakeholders in response to its February 27, 2020 [Letter of Notice for Development](#).

Thank you to all Stakeholders who have participated in the ISO rules development process.

Sincerely,

Melissa Mitchell-Moisson
