

This data and associated information were created using information from AESO and industry sources and are intended only for research purposes. The data and associated information reflect a static view of the monthly AESO Project List – updated data will be posted at the start of each month and users should ensure they are working with the most current update.

This data and associated information may not be copied or disseminated by third parties without the express written permission of the AESO. The AESO makes no representations, warranties, or guarantees, express or implied as to the accuracy, reliability, completeness, currency, or non-infringement of the data and associated information or that it will be suitable for any use. The AESO accepts no responsibility whatsoever for any inaccuracy, error, or omission in the data and associated information. The AESO shall not be responsible for any losses or costs incurred by you or anyone else as a result of the use, conversion, publication, transmission, installation, or improvements to the data and associated information, even if such losses or costs are foreseeable.
